RE: South Carolina Electric & Gas Company
Request for Approval of Contract for Electric Service with Nexans High Voltage
USA Inc.

Dear Ms. Boyd:

Pursuant to 10 S.C. Code Ann. Regs. 103-303 (2012), South Carolina Electric & Gas Company ("SCE&G" or "Company") hereby files and seeks approval of a Contract for Electric Service ("Contract") between SCE&G and Nexans High Voltage USA Inc. ("Nexans"), with such approval to be made effective as of September 5, 2012. Under the contract, SCE&G will begin providing service to Nexans on or about April 10, 2013, but in no event shall it be later than October 16, 2013. The Contract continues for ten (10) years from the date of service, unless an early termination is mutually agreed upon by the parties. The Contract is automatically extended thereafter until terminated by either party.

Nexans is a worldwide leader in the cable industry. The Contract is related to Nexans' decision to construct its new high voltage power cable manufacturing plant at the Bushy Park Industrial Complex in Berkeley County. The plant, which is planned to open in 2014, will produce high-voltage cables for utility companies. Nexans expects the initial \$85 million investment in the Lowcountry to create 200 new jobs. The Contract also contemplates that Nexans may install a second manufacturing line at the plant during contract year 3, 4, or 5 of the initial term of the Contract.

Due to the commercial sensitivity and proprietary nature of certain provisions of this Contract as well as the highly competitive nature of the industry in which Nexans operates, the Company and Nexans respectfully request that the Public Service Commission of South Carolina ("Commission") find that the Contract contains protected information and issue a protective order barring the disclosure of this agreement under the Freedom of Information Act, S.C. Code Ann. §§ 30-4-10 *et seq.*, 10 S.C. Code Ann. Regs. 103-804(S)(1), or any other provision of law. Pursuant to 10 S.C. Code Ann. Regs. 103-804(S)(2), the determination of whether a document may be exempt from disclosure is within the Commission's discretion.

To this end, and in accordance with Commission Order No. 2005-226, dated May 6, 2005, in Docket No. 2005-83-A, we enclose with this letter a redacted version of the Contract that protects from disclosure the sensitive, proprietary and commercially valuable information, while making available for public viewing non-protected information. We also enclose a copy of the unredacted Contract in a separate, sealed envelope and respectfully request that, in the event that anyone should seek disclosure of this unredacted Contract, the Commission notify SCE&G of such request and provide it with an opportunity to obtain an order from this Commission or a court of competent jurisdiction protecting the Contract from disclosure.

Enclosed are the following:

- (1) A true and correct copy of the original Contract in a sealed envelope marked "CONFIDENTIAL." Each page of the Contract is also marked "CONFIDENTIAL."
- (2) Ten (10) copies of a redacted copy of the Contract for filing and public disclosure.

By copy of this letter, we are providing the South Carolina Office of Regulatory Staff ("ORS") with a redacted copy of the Contract for its records. Additionally, SCE&G will make the original, unredacted copy of the Contract available to ORS for its review.

Thank you for your assistance and consideration of this matter. If you have any questions, please do not hesitate to contact us at your convenience.

Very truly yours,

Matthew W. Gissendanner
